In Our Prayers: This upcoming week please include these in your prayers:

- Thank you for sending your Son to be our Savior.
- Thank you for all veterans who have given so much for our nation.
- Thank you for our friends and families.
- For everyone who is ill to receive the treatment they require for healing.
- For the safety of people living in areas of the world where fighting is going on. May the governments in those places find peaceful solutions so that fighting can end.
- For the people who have been impacted by recent storms and flooding.
- For the fruits of the Spirit to be evident in our daily lives.

Breakfast serving times:
Going forward the serving time for breakfast is 7:40 - 7:55. Students who wish to eat breakfast must arrive before 7:55, which will give them enough time to finish eating before they need to head to their classrooms, and reduce the amount of food thrown away.

Thank you to all the PTL parents who helped set up, run, pack up the book fair this year and to the parents who planned and organized the craft night. You are a huge asset to our school.

Thanks to all the families that joined us for craft night. From bead crafts, to card and ornament making there were plenty of options for everyone for creativity.

Our pep fest on October 30 honored not only our St. James girls volleyball team, but also students who were involved with other fall activities through HLWW such as football, cross country, volleyball and drama. The St. James band provided the music.

Students helped us sing the SAINTS song to the tune of BINGO
