Equipping and Empowering Families and Students through Christ

The St. James Band gave their final concert last Thursday. Both beginner and advanced bands performed separately and as one band. There were also several solos, duets and even a trio. Thank you to Mrs. Loder for teaching and encouraging these young musicians all year. Well done everyone!

Third and fourth graders visited Pioneer Park in

Annandale on May 17th. They saw how a small community would have looked in the pioneer days. There was a general store, a post office, a doctor's office, and a house. Noah, Evan, and Lane are shown "enjoying" their time in the jail!

At the MN History Center, the fifth and sixth graders could go into a plane like the soldiers used in WWII for bombing missions. Logan, Griffin, Dylan, Jeremiah, and Owen

are ready to "take off". They also were impressed by the "tornado room", in which they could experience the sounds and sights of being in the path of a tornado.

Concordia Publishing House is offering a summer reading program again this year. Set up a family account at cph.org/reads. Select from reading lists for all age ranges. Log any book you read this summer, whether it's on a reading list or not. The program runs from May 31 through August 12.
